Notices

URGENT! The way we keep Lent is being considered at the PCC meeting **this Wednesday** – the PCC are in need of your thoughts and ideas on how we can best do this. *Please* make your thoughts known to a PCC member so they can take your ideas to the meeting.

This week, from Thursday – Sunday inclusive, a new boiler is being installed in the church centre. This will mean that there will be no heating in the centre on these days.

Would you like to **sponsor our pew sheet** one Sunday? It's just £10 (for black and grey) and £20 (for a colour sponsorship). Please complete a form [available on the notice board], put your name on the board on your chosen date and let Michael or Jo have the form and your money!

Our **Deanery Synod** is considering a plan for the future of our deanery. The proposal can be read on the board in the south aisle, together with our Church Council's response. Please do take the opportunity to read this. You too can send in a response - please have a word with Michael or Susan Garrod.
